Ordering the Software

To know more about **Stellar Password Recovery for Outlook**, click [here](#).

To purchase the software online, please visit <https://www.stellarinfo.com/email-repair/outlook-password/buy-now.php>

Alternatively, click on **Purchase** icon in **Support** Menu on **Menu** Bar to purchase the software online.

Select either of the methods given above to purchase the software.

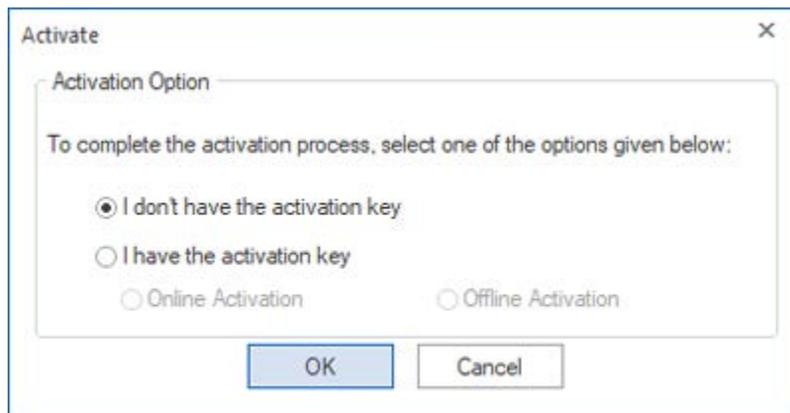

Once the order is confirmed, a serial number will be sent to you through e-mail, which would be required to activate the software.

Activating the Software

The demo version is just for evaluation purpose and must be eventually activated to use the full functionality of the software. The software can be activated using the Activation Key which you will receive via email after purchasing the software.

To activate the software:

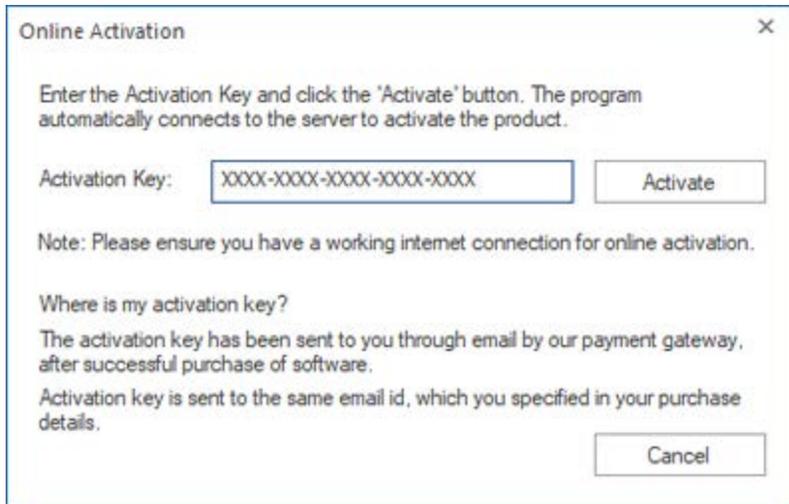

1. Run demo version of the software.
2. On **Activation** menu, click **Activate** option. *Activate* window is displayed as shown below.

3. Choose 'I don't have the activation key' (Use this option if you have not purchased the product) or select 'I have the activation key' (Use this option if you have already purchased the product).

To activate the software, when you do not have a activation key, follow the steps given below:

1. In the *Activate* window, select '**I don't have the activation key**' option. Click **OK**, to go online and purchase the product.
2. Once the order is confirmed, a Activation Key will be sent to the email provided at the time of purchase.
3. In the *Online Activation* window, type the **Activation Key** and click **Activate** button (Please ensure that you have an active Internet connection).

4. ' *Activation Completed Successfully* ' message is displayed after the process is completed successfully. Click **OK**.

To activate the software, when you have a key, follow the steps given below:

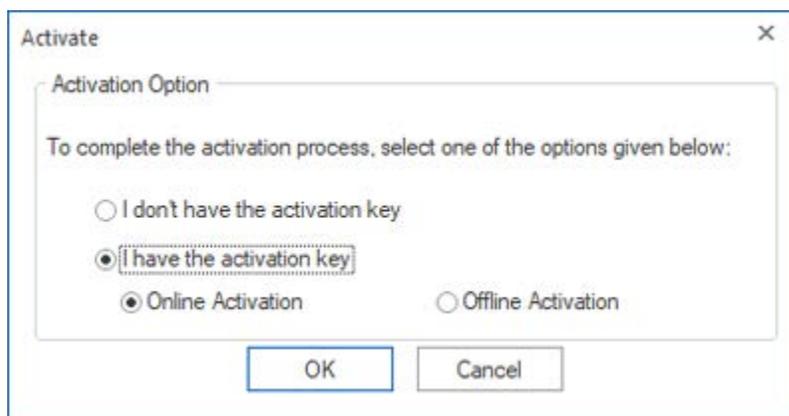

1. In the *Activate* window, select '**I have the activation key**' option.
2. You can choose either 'Online Activation' (Use this option to activate the software over Internet) or 'Offline Activation' (Use this option to activate the software manually / through e-mail if for any reason, Internet connection is unavailable).

- **Online Activation**

Online Activation is possible only when an active Internet connection is available.

- **To activate the software online:**

1. From the *Activate* window, select **Online Activation**. Click **OK**.

2. An **Online Activation** dialog box will appear.

3. Type the **Activation Key** (received through email after purchasing the product) in the field of Activation Key. Click **Activate**.

Online Activation

Enter the Activation Key and click the 'Activate' button. The program automatically connects to the server to activate the product.

Activation Key:

Note: Please ensure you have a working internet connection for online activation.

Where is my activation key?
The activation key has been sent to you through email by our payment gateway, after successful purchase of software.
Activation key is sent to the same email id, which you specified in your purchase details.

4. The software would automatically communicate with the license server to verify the entered key. If the key you entered is valid, software will be activated successfully.

- **Offline Activation**

Offline Activation enables you to activate the product when your computer does not have an Internet connection.

- **To activate the software offline:**

1. From the *Activate* window, select **Offline Activation**. Click **OK**.

Activate

Activation Option

To complete the activation process, select one of the options given below:

I don't have the activation key
 I have the activation key
 Online Activation Offline Activation

2. An **Offline Activation** dialog box will appear displaying **Activation ID** in its respective field.

Offline Activation

You need to send below listed 'Activation ID' to Stellar Technical Support to get your 'License Key'.
If you have already received your 'License Key', enter it and click 'Activate' button to activate the product.

Activation ID: FCK-A6J1H4MR773PQ466-014G27RCOTK0G9OU-C371

License Key:

Activate Cancel

3. To get your License Key, which is required to activate the software manually, you need to mail the listed **Activation ID** to support@stellarinfo.com.
4. A License Key will be sent to your email address after verifying the Activation ID and purchase details by *Stellar Technical Support*.
5. After receiving the License Key, open **Stellar Password Recovery for Outlook**. In *Activate* window, select '**I have the activation key**'.
6. Select **Offline Activation** and click **OK**.
7. Enter the **License Key** received through email in the field of License Key.

Offline Activation

You need to send below listed 'Activation ID' to Stellar Technical Support to get your 'License Key'.
If you have already received your 'License Key', enter it and click 'Activate' button to activate the product.

Activation ID: FCK-A6J1H4MR773PQ466-014G27RCOTK0G9OU-C371

License Key: XXXX-XXXX-XXXX-XXXX-XXXX

Activate Cancel

8. Click **Activate** to activate the software. A confirmation message is displayed if a valid key is entered. Click **OK**.

Updating the Software

Stellar releases periodical software updates for **Stellar Password Recovery for Outlook** software. You can update the software to keep it up-to-date. These updates can add a new functionality, feature, service, or any other information that can improve the software. Update option of the application is capable of checking for latest updates. This will check for both latest minor and major versions available online. You can easily download minor version through the update wizard. However, the major version, if available, has to be purchased. While updating the software, it's recommended to close all the running programs. Note that demo version of the software cannot be updated.

To update Stellar Password Recovery for Outlook:

1. Go to **Support** option in **Menu Bar**. Click **Update**.
2. **Stellar Update Wizard** window will open. Click **Next**. The wizard will search for latest updates, and if it finds any new updates, a window will pop up indicating its availability.
3. Click **Next** and the software will download the files from the update server. When the process is complete, the software will upgrade to the latest version.

Live Update may not happen due to following reasons:

- Internet connection failure
- Updates are not available

***Note:** If a major version is available, you need to purchase the software in order to upgrade it.*
